

Practical information EPR Projectathon

Dear visitors of our EPR Projectathon 2019 (EPR-PAT 2019)

We are looking forward very much to welcoming you at the EPR-PAT 2019 and to collaborating with you during our testing week **from 23–27 September 2019**.

Testing venue

Our event takes place at the [Eventforum Bern](#) – [learn here how to get there](#). Those who need a parking spot during the whole week or for single days of the PAT week are requested to make an e-mail to me (stefan.wyss@e-health-suisse.ch) **by September 12, 2019 at the latest**. We have 10 spots for PAT visitors in sum. So first come, first serve.

Accommodation

Below you find a hotel list. The further up the hotel figures in it, the closer it is located to our testing venue.

Opening, testing and break hours

The Eventforum opens at 8AM in the morning. At 6PM at latest, you must have left our venue.

We test from 9AM to 5PM (on Friday until noon as usual). The testing happens on the ground floor in the Eventforum.

Lunch will be served from 11.30AM to 1.30PM in the basement. Coffee and water will be available all the time. Break refreshments will be offered from 9.30-10.30AM and 3-4PM.

Social Event

With your registration you are automatically invited to our PAT Social Event on Wednesday, September 25, 2019 from 6.30PM on in the [Event location Bierhübeli](#) which is [some minutes to walk](#) from the Eventforum. Visit us and socialize – there will be food, beverages, live music and fun.

Technical Coffee Breaks

Based on participants' suggestions, we will offer short "technical coffee breaks" before and after testing hours. The breaks consist of a 15 minutes introduction of a technical topic concerning eHealth / the EPR including Q&A, open for all participants. No registration needed. If you want to present a topic yourself, [send us](#) your proposition by August 31 latest.

Additional rooms

We have additional rooms in which smaller separate meetings can be held. Please ask our staff if you need such a room during the PAT. We will try to make your meeting possible, but we can't guarantee it because these additional rooms are used for different purposes.

Guided Tours

Guided tours for interested groups through the PAT will be organized from Monday to Thursday during the PAT week. Tour guides will do their best not to disturb the ongoing testing. Thanks in advance for your understanding and patience.

Plenary Discussion

Please participate at the plenary discussion about "lessons learned during the PAT". This discussion is planned for Thursday in the PAT week (September 26, 2019) at 4PM.

Data protection

You are required to respect data protection and privacy at any time. Therefore, stay generally careful with your data, avoid admin accounts and most important: Don't use real health data for the testing.

Electrical Outlets

Swiss system, please take your own AC adapter with you.

Photographer

An official event photographer will take pictures of the Projectathon venue on Wednesday afternoon. Please let us know if you don't want to figure on the pictures. The photos will be published in the Projectathon-Gallery.
