| PP | Protection Profile for Authentication Means |

The diagram shows a box labeled "Actor". Above the box, "IHE Profile" is written on the left and "Ct:Profile" is written on the right. Below the box, a vertical dashed line descends from the bottom center. To the right of this line, there are two blue arrows pointing right, one above the other. The top arrow is labeled "[ITI-x]" and the bottom arrow is labeled "[Ct:x]". To the right of these arrows, the text "IHE Transaction" is aligned with the top arrow, and "National Integration Profile" is aligned with the bottom arrow. Further down the dashed line, the text "IHE Transactions grouped with [ITI-40] or [ITI-72] including EPR-SPID" is written. At the very bottom of the dashed line, there is a small icon of a person and the text "not specified by IHE".

The diagram shows a box labeled "Actor". Above the box, "IHE Profile" is connected to the box by a solid line, and "CH-Profile or Profile Option" is connected by a dashed line. Below the box, a solid line leads to a box containing two options: "↓ [ITI-x]" and "↓ [CHx]". From this box, a solid line leads to "IHE Transaction" and a dashed line leads to "National Transaction". A dashed line from the bottom of the "Actor" box leads to a box containing "IHE Transactions in conjunction with [ITI-40] or [ITI-72]". A dashed line from the bottom of this box leads to the text "not specified by IHE".
